GALLINÉ

Varietal

Muscat de Frontignan and Parellada.

ABV

13% alc.

State

Blancafert and Poblet.

Elaboration

The grapes are hand harvested with under pressure crushing and low temperature fermentation.

After the fermentation a transfer is done and the wine makes contact with its own lees for approximately 4 months.

Tasting note

Pale yellow colour with green reflects. Fruity aroma recalling the predominant Muscat, but with citric hints lent by Parellada. On the palate it is fresh and inviting.

Pairing

Ideal for serving with fresh meals, pasta, salads and fish.
